PRESS RELEASE

NSW Street Rod Committee Inc Annual General Meeting

The AGM was held on 15 September 2006 at the Drag-Ens HRC rooms at Chipping Norton. Thanks again to the Drag-Ens HRC for providing the venue and catering facilities.

All of the sitting members were returned. A new member, Darren Abela was nominated and elected for two years; welcome Darren. Darren brings considerable experience as a rodder and aircraft maintenance technician to the committee. The committee has a good mix of ages, and fresh ideas, which is healthy for the ongoing management and viability of the hobby.
